## Madison II

This two story Queen Anne style house of 1374 square feet features a spacious living and dining room area and a second floor private master bedroom suite with balcony.

This open floor plan includes a total of three bedrooms, two full bathrooms, powder room, a laundry room, and U-shaped kitchen with a breakfast bar that opens to the dining room.

The historically inspired exterior offers a double gabled roof with shingled accents, a first floor projecting bay, covered front and rear porches, and exterior storage room. The narrow width makes the house ideally suited for a narrow lot.
